Sub: Procedure to be followed for availing the facility of Self-Sealing of containers by the manufacturer-exporters / merchant-exporters – reg.

Attention of the Exporters, CHAs and the Members of Trade is hereby invited to Notification No. 38/98-CE (NT) dated 02.09.1998, CBEC Circular No. 426/59/98-CX dated 12.10.1998, Circular No. 445/11/99-CX dated 17.03.1999 and CBEC Circular No. 736/52/2003-CX dated 11.08.2003. Under the aforesaid instructions, the facility of self-certification and self-sealing of export goods was granted to specified categories of Manufacturer-Exporters based on certain criteria and subject to fulfilment of procedure prescribed in this behalf. Later the facility of self-sealing and self-certification was extended to all categories of Manufacturers-Exporters subject to compliance with the existing procedure as referred to above. The facility of self-sealing has also been extended to the Merchant-Exporters vide Para 3(a)(i) of Ministry's Notification No. 19/2004-CE (NT) dated 06.09.2004 in certain cases where Merchant-Exporters procure and export the goods directly from the factory or warehouse.

Attention is also invited to CBEC Circular No. 860/18/2007-CX dated 22.11.2007, it has been decided that in case of exports under Free Shipping Bill i.e. Shipping Bills where no export benefits are being sought, the Manufacturer-Exporters shall mandatorily resort to self-sealing of containers. It was also clarified that the Central Excise Officers shall not attend to the request of stuffing and sealing of export containers in their presence, in case the exports are under Free Shipping Bills.

2. The facility of self-sealing and self-certification is available to all categories of manufacturer-exporters vide CBEC Circular No. 736/52/2003-CX dated 11.08.2003. Any manufacturer- exporter who opts for the facility of self sealing/self certification will have to fulfil the two conditions; one relating to intimation to the Department and the other for specifying the category of persons who will certify that goods were sealed in his presence.

- (i) The exporter shall give an intimation (mentioning description of the export goods, tentative quantity, value and duty involved and specific date and time of sealing/ stuffing and clearance) to the Superintendent of the Central Excise Range with a copy to Assistant Commissioner of Central Excise having jurisdiction over the factory of manufacturer/ production, at least 24 hours in advance from the time scheduled for sealing of the packages or stuffing and sealing of a container. In case where there are frequent clearances for export and the exporter can furnish detailed export-plan in advance (mentioning description of the export goods, tentative quantity, value and duty involved and specific date and time of sealing/ stuffing and clearance) the Assistant Commissioner may permit a shorter period for furnishing of intimation. Where such export-plan contains specific details, the same be accepted as due intimation.
- (ii) The category of persons who will certify the self sealing / self certification are; the Owner, the Working Partner, the Managing Director or the Company Secretary of the manufacturing unit / warehouse or a person duly authorized by such Owner, Working Partner or the Board of Directors of such Company, as the case may be.
3. The exporter/authorized person shall endorse the ARE-1 / ARE-2/ ARE-4, as the case may be, as per the following format:
